DATED : 24th November, 2006

P.C.

The applicants had filed a complaint before the Corporation. Acting on the complaint the impugned order in the petition came to be passed. It is the case of the applicants that they are interested in the outcome of the petition. We find that the applicants as they were the complainants would be, if not necessary parties, proper parties at least whose presence is necessary for the effective disposal of the petition.

2. In the light of that, chamber summons made absolute in terms of prayer (a). Petitioners to take steps to

amend the cause title within two weeks from today.

. Chamber summons disposed of accordingly.
